SIDERA CHASE, M. A. Principal,

Assisted by twelve thorough and accomplished Teachers
Male and Female.

This Institution is located between High and Shipman streets, near the corner of William. The entrance for ladies is from Shipman street. Gentlemen enter at the western front on High street.

The N. W. Institute combines the advantages of both a Male and Female Academy, located under the same roof, subject to the same government, and taught by a joint Faculty.

It embraces two distinct suites of rooms, on opposite sides of the edifice, connecting only at the Principal's office, the Recitation rooms, and the Chapel. Young gentlemen and ladies only meet in the presence of their teachers; their study rooms being entirely separate. Young Ladies have the double advantage of studying under the supervision of Female teachers, and of hearing the lectures and receiving the instructions of the gentlemen Professors, in the sciences and languages.

The Male and Female departments are each classified in three divisions, viz: *Primary, Middle and Academic.* Each division is subdivided into grades, according to the advancement of scholars.

GENERAL INFORMATION.

The edifice of the N. W. Institute is new. No pains or expense have been spared in its construction, to render it complete in its adaption to scholastic purposes. Its site is unrivalled for beauty and healthfulness.

Unwearied efforts are made by the teachers to establish pupils thoroughly in the elements and fundamental principles of whatever they study, and also to habituate them to a prompt and elegant expression of the ideas they may acquire. Constant demonstrations on the black-board, and frequent reviews are therefore practised. For further particulars see the Annual Catalogue and Circular of the Institution.

FEMALE CHARITABLE SOCIETY OF NEWARK.

Organized 1803—47 years ago.

This society was formed in 1803. The object of which was to assist all the *worthy poor* females of this city, without denominational distinction, who are of good character and standing, and in need of assistance. An annual sermon has been preached by some one of our Clergymen, and a collection taken in aid of the society, which, together with donations from other sources, has enabled the society to *ameliorate* the conditions of thousands of suffering poor in this city.

The total amount received from November 14, 1848 to November 14, 1849 was - - - - 396 94

Whole amount expended in the same time 387 37

And the number of families assisted (more or less) 200

The last annual sermon was preached the 23d of December, 1849, in which the claims of the society were ably, feelingly, and forcibly presented by Rev. Daniel W. Poor, in the Third Church, on Sunday evening.

Amount of collection - - - - 127 22

Condition of the Poor.*

Secretary—CORTLANDT PARKER.

North Ward { *Vice P.*—ISAAC VAN WAGENEN.

East Ward { *Vice P.*—TUNIS A. WALDRON.

South Ward { *Vice P.*—JAMES WHEELER.
 { *Supt.* —DANIEL PRICE.

Fifth Ward { *Vice P.*—HORACE J. POINIER.
 { *Supt.* —S. C. COLLYER.

The city is divided into Five Wards. Each of these Wards into Districts, to each of which is appropriated a Visitor. Whole number of Districts in the City is 46.

One object of this Association is to discourage indiscriminate alms-giving. When an application is made for assistance, ascertain the Ward, Street and number of the residence of the applicant. This will enable you to find the District in which he lives, by referring to which you will see the name and residence of the Visitor, to whom send him.

VISITOR'S MANUAL.

1. Never relieve without first visiting, observing, and enquiring. You wrong the really poor if you give to the undeserving.

2. If deceived, report the case to your Committee at once, for record.

3. Relieve, always, the old, the sick, infirm, and unavoidably unfortunate; and manage to provide labor as well as present help, for those who are able and willing. Never help the able who will not work, nor the vagrant, nor the professional beggar. Give to the drunkard's family, never to *him*, and then take care that what you give be not the instrument of his sin. Give *him* advice, work, and every aid to reformation.

4. Where the needy have able relatives, tell *them*, and do not give save for extreme present necessity, till they refuse; and then report the case to your Committee at once.

5. Try to improve the character as well as the bodily condition of those you visit. Recommend the Church, the Sunday and the Public School, and the cause of Temperance. Encourage neatness, industry, patience, energy, thriftiness.

6. Give only what is necessary, and no more at one time than is. Give what can least easily be abused. Never give money without the direction of the Advisory Committee; and, except in sickness, let your assistance, both in quality and quantity, be inferior to what can be procured by labor. Do not prolong your assistance beyond the period of necessity.

7. Record in a book the names of those you help—what you give them; also such notice of any particular circumstance as will tend to illustrate character, show improvement, or call for special advice. On your removal or resignation, notify the Secretary, and transfer to him your book and papers. Report monthly.

8. Seek the needy; some die rather than beg. With such use the greatest delicacy.

9. With all "Be pitiful, be courteous, be kind and tender-hearted; not rendering evil for evil, nor railing for railing, but contrariwise, blessing."

THE EAST WARD,

PROGRESSIVE GROWTH OF OUR CITY.

MR. B. T. PIERSON, Editor of the Newark Directory politely furnishes us (Newark Daily,) with the following table, showing the growth of our population during the last twenty-three years; in which period it appears to have nearly quadrupled—and that too by those regular gradations that indicate a sound and wholesome progress.—There is, in truth, nothing forced or factitious in this remarkable growth. The prosperity rests upon the surest of all possible grounds—steady industry and sound morality. At the present rate of progress—and we see nothing that is likely to check it—the population must approach at least an hundred thousand within another 20 years. Fortunately there is room enough and to spare within our present city limits:

The Company having been incorporated expressly as a New Jersey institution and to meet the wants of this community, the attention of the public is called to the superior advantages possessed by the company, that its merits and claims may be investigated. For business or other information apply at the office of the company, 153 Market street, Insurance Buildings.

PIERSON'S NEWARK CITY DIRECTORY

FOR THE

75th YEAR OF AMERICAN INDEPENDENCE,
FROM 4th JULY, 1850.

Important observations to those using this Work.

Throughout this Directory, the christian names of those where there are more than one of the same surname, are carefully alphabetically arranged, male and female, firms, &c. In searching for a name, the inquirer must know the proper spelling. For example, a person seeking for—Pirsson, will not find the one sought for if he looks in the names of Pierson; so, also, for—Bonnel, he should not look among the Bunnels; and for Conger, not in Congar; and for Parcels, not look in Parsals, Parcells or Parsil; nor for Hays in Hayes.

ADVERTISEMENT.

DIRECTORY NOTICE.—I am now printing my Directory, both before and after the names. All those interested in regard to advertisements, will please to attend to it without delay, and send in their orders, as to firm alterations in firms or location, or matter, &c., and not cheat me out of the price of an advertisement worth five cents to two dollars, for the simple and unimportant excuse that some word or even a single letter, was not as they wanted it. The price for advertising this year will be the same as last year. (See my advertisement in my last year's book.) If I am out, put your orders through the blinds of the door.

B. T. PIERSON, Directory Office, 17 Court st.

My notice read as follows, viz: 

I want all those who wish an advertisement in my **DIRECTORY** for the current year, and those wishing any alterations in those already in, to forward them immediately to HOLBROOK'S office near 333 Broad street and those who do not notify me of any change in firm or location or to be discontinued, I will consider it right, and those in arrears for advertisements will be left out, if not settled for immediately. The price for advertising this year will be, for one copy of the Directory and one page of advertisement \$3, and for all smaller than one page more than that proportion, and I would respectfully request those interested (as Counsel has wholly refused to do anything in the premises,) to see to it that they have their dwellings and places of business, numbered by the City Surveyor correctly, and immediately, as my Canvasser will have no time to survey or pace to ascertain what the number should be, for they will be instructed to give the number and street only where there is no numbers, and not to give the *metes and bounds*. To those who refuse to comply with so reasonable request and their names should be found in my book not right, and they should attempt to abuse me, I will refer them to this advertisement which will clear me of any blame on my part. Please remember this, and don't say you never saw it.

January 18, oawtal.

B. T. PIERSON.

DIRECTORY NOTICE.—On Wednesday next, instant, my canvassers are to commence taking the names and alterations for the Directory, and I wish all be ready to give their whole names and occupations correctly—no initials. And those having boarders are requested to have a list of them made out, so that my

B. T. PIERSON.

NEWARK DIRECTORY OFFICE.—Mr. Pierson desires to say that his canvassers find great difficulty in getting the desired information for a full and perfect list of all the names that ought to be given in. For example: where there are a mother and son or mother, son, and son-in-law—two brothers—father, son, and mother-in-law, &c., and *all* their names in the book now, but only one given in—thereby causing him to send them back to know if they are dead, or what is the reason that they were not given as they should have been? They answer, "I forgot it—I did not know you wanted them," &c. Mr. P. says it is perplexing and insufferable.

There have been erected the past year, about Four hundred and Fifty Buildings of various kinds, among which are five Churches, viz: Park Church, 5th Presbyterian, 8th Park Church Place, Rev. A. D. Eddy; 6th Presbyterian, 74 Union, Rev. William Aikman; 4th Methodist Episcopal Church, 125 Union. Rev. H. M. Brown; Episcopal Church, (Christ's) 25 North Prospect. Rev. Robert Lowell; 4th Episcopal Church, House of Prayer, 36 Broad, Rev. Samuel L. Southard; and notwithstanding the great number of new buildings erected, I am informed that many have been obliged to leave the city for want of a house or even part of a house—this ought *not* so to be.

The canvassing has been *well* done. (I find in *posting*) as it ever can be—for it seems impossible to persuade the citizens to give their names *readily* as they ought to, and many withhold their names entirely, and then I am blamed for not getting *all*—and if I can't get them—*who* can? there are at least *one thousand* who are in the habit of sending, and receiving letters, who will not give their names.

My Sixteenth Publication is now ready for sale—and *all* that remains is for the citizens to buy them *all* and pay for them on delivery, and give as little *trouble* as possible, for I have had my full share the last sixteen years.

May 4th, 1850.

B. T. PIERSON.
